

NEBRASKA SUSTAINABLE AGRICULTURE SOCIETY is HIRING!

NSAS PROGRAM MANAGER POSITION SUMMARY:

As a key member of NSAS's team, the Program Manager will manage and support Nebraska's oldest sustainable agriculture organization, with the mission "to promote agriculture and food systems that build healthy land, people, communities and quality of life, for present and future generations." Nebraska Sustainable Agriculture Society is a non-profit grass-roots organization, now in its fourth decade.

The Program Manager will report to the NSAS Board of directors and work in accordance with the bylaws of the organization. This individual will be involved in all aspects of maintaining organization of the membership, website, social media, and organizing the annual conference and other outreach events and activities. Additionally, will assist in creating sustainable income streams.

This position will begin part-time at 18+ hours/week; with adequate fundraising, management, and grants, may become a full-time position. Work hours can be flexible; some weekend and evening hours will be required for meetings and events. Regular office hours expected with flexibility of days and scheduling.
